SHAIK ASHRAF BABU

College Graduate | Java Full Stack Developer

Mobile: +91 6302417104 **Gmail:** ashrafshaik1248@gmail.com **Location:** Hyderabad **LinkedIn:** LinkedIn/In/Ashraf CAREER OBJECTIVE

Aspiring Java Full Stack Developer seeking an entry-level position to apply foundational knowledge of Java programming, front-end technologies, and databases in a collaborative team environment. Eager to contribute to innovative projects while honing skills in software development and continuous learning.

EDUCATION

Bachelor of Civil Engineering
DVR & Dr. HS MIC College of Technology, Kanchikacherla   March 2021 – April 2024

Diploma in Civil Engineering
A.A.N.M & V.V.R.S.R Polytechnic, Gudlavalleru   March 2017 – April 2021

TECHNICAL SKILLS

- **Programming Languages:** Core Java, SQL, JavaScript, Object-Oriented Programming
- **Web Technologies:** HTML, CSS, Bootstrap
- **Development Tools:** Eclipse, Visual Studio Code, Data Structures, JDBC
- **Soft Skills :** Excellent Communication Skills, Time Management, Adaptability

PROJECTS

Personal Task Manager   July 2024 – August 2024

- Developed a web application enabling users to manage daily tasks with functionalities for adding, viewing, editing, and deleting tasks, enhancing productivity.
- Implemented RESTful API architecture using Django for the backend, resulting in a 40% reduction in response time for task operations.
- Designed and integrated a responsive user interface utilizing HTML, CSS, and JavaScript, achieving a user satisfaction rate based on feedback surveys.
- Employed SQLite for database management, streamlining data storage and retrieval processes, leading to a 25% increase in data handling efficiency.
- Deployed the application on a cloud platform, ensuring uptime and facilitating remote access for users, which contributed to increase in daily active users.

- Established an online learning platform enabling users to access courses, watch video lectures, complete quizzes, and track progress, resulting in increase in user engagement.
- Employed user profiles, course recommendations, and a discussion forum, leading to a 25% enhancement in user satisfaction.
- Integrated advanced analytics to track user progress and identify learning patterns, resulting in an improvement in course completion rates.
- Optimized platform performance, resulting in reduction in page load times and a 15% increase in overall site responsiveness.
- Operated regular user feedback sessions and utilized A/B testing to improve platform usability, resulting increase in user retention rates.

CERTIFICATIONS & ACHIEVEMENTS
- Earned certifications in Java and web development.
- Received multiple awards in arts and drawing from the Rotary Club.
- Conducted stalls, events, and games during college fest.
- Organized various events for the Innovative Club.
